

# College Connector Certification and Implementation for Sites Serving Diverse, Low-Income and First Generation Students

## Workshops and Events Presented by Education Outreach Professionals

Teams representing a statewide network will develop college access and success implementation plans for their sites during six day-long sessions. Minnesota Minority Education Partnership staff will assist teams in plan implementation. Team members will also be integrated into MMEP's Minnesota College Access Network and will receive updates, best practices, professional development and news about networking opportunities as well as access to ongoing research and additional resources.
