Food and Beverages Served!

### Guest Speaker

Tommy Watson has a Bachelor of Science degree, a Master's degree in Educational Administration, and an advanced graduate degree in K-12 Administration. He currently works as the Principal of Palmer Lake Elementary School in Brooklyn Park, MN.

Tommy Watson grew up in the Five Points area of Denver, Colorado. He came to Minnesota in 1992 to play football for the University of Minnesota, where he later graduated in 1997. Since that time he has worked with the state of Minnesota, the non-profit sector and most recently with the McDonald's Corporation, where he became the 2002 "Leadership Award" recipient. In 2003, his passion for working with at-risk students, or "at-resilient" students as he refers to them, brought him back to the educational enterprise where he has remained.
